THE JOB TORCH

"WE CAME AS STRANGERS BUT ARE NO MORE"

EDITORS' FOREWORD

"WE CAME AS STRANGERS BUT ARE NO MORE"

One September day a short while ago a group of rather anxious looking young people crossed the threshold of Silver Lake Regional High School. The Class of '58 was entering the unknown realm of three precedent setting years.

Of each other we knew only that our classmates came from the four towns comprising the region as well as from Carver. Through classes, extracurricular activities, and numerous out-of-school social affairs we soon became acquainted.

Our Sophomore Dance, Junior Prom and Senior Play all served to draw us closer together. As graduation day approaches we can say with full realization of its significance that

"We came as strangers
but are no more."

DEDICATION

In Mr. Richard M. Deasy the class of '58 has found a friend who is ever courteous, resourceful, sincere.

Whether we wished help in homework, or assistance for our yearbook and Senior Class Play, he was always ready to lend an experienced and helping hand.

Never too busy to listen to our problems, Mr. Deasy willingly counseled and guided us, his first interest always being the welfare of his students.

For all this, and so much more, we gratefully and affectionately dedicate to Mr. Richard M. Deasy our 1958 edition of *The Torch*.

ADMINISTRATION

In keeping with your yearbook theme our Regional High School represents in its organ—a democratic form of operation. When four towns can vote to cooperate in providing a broader education for their youth, then we have a basic acceptance of the principle of working together for the common good. The phrase, "Novus ordo seclorum"—the new order of the ages—a quotation from Virgil, penned nearly 2,000 years ago, found engraved on our one-dollar bill, expresses well the ageless value of Democracy.

May I remind you of the great value of learning the lessons of recorded history. Even as long as 2,000 years ago the dream of cooperation and coordination in full democratic action was beginning to emerge—"There is nothing new under the sun!" Education is understanding, studying the past, disciplining the mind, placing the right values on moral truths, and acting in dignity of mind and spirit. It will give you faith in your religion, your government, and in your schools as well as yourself.

I hope that Silver Lake has been able to make these truths evident and that the future will only strengthen these convictions.

Chester S. Ray

Every class has a challenge presented to them as a graduation gift from the world into which they are to be received. May I suggest that the Class of 1958 accept this challenge without the panic to which their elders are so prone to succumb. Such quick panic would seem to be founded in a lack of confidence in the rightness of America's institutions as well as a lack of faith in the rightness of a high moral society. If our young adults dedicate themselves to the strengthening of these two beliefs America and the world will be a better place because they lived here.

Francis M. Moran

TO THE CLASS OF 1958

"We Came as Strangers, but are no More," is a most significant class motto for within its bounds lies the history and future of life. Your achievement in fusing such varied social, economic, and educational backgrounds, as was evident three years ago, into a stronger and unified class group was noteworthy. You are now facing another beginning—a beginning which is not confined to a personal, local, or even national situation. It is world-wide in scope. You face a world which has diminished in size in immediate accessibility. In this world you will be strangers. Your very existence—indeed the existence of the world itself—depends upon how soon you can say "... but are no more." You are the ones who must achieve world understanding and friendship. Your responsibility is great. Serve well!

SOPHOMORE CLASS

The class of '60 experienced a wonderful year under the guidance of Mrs. Cherry.

Our first time of business came in the election of officers. Frank Spalluzzi was elected President, Wendy Pratt, Vice President; Lydia Jones, Secretary; Joan Santos, Treasurer; and Jeanne Stevens as Historian. Next we elected Student Council representatives, and Executive Council members.

The Sophomore Snow-Ball which was held December 13, turned out to be a complete success; the dance featured a big snowman amid a winter scene, and Don Shaw and his orchestra furnished the music.

Something new for us was the excitement of the National Honor Society induction. Nine persons from our class were selected, of whom we are indeed proud.

It certainly has been a most memorable and enjoyable year and we are looking forward, with anticipation, to our Junior class.

OUR FRESHMEN

As the Freshmen arrived at school the first day there were over two-hundred of them, including Carver.

The first business on the agenda was to elect class officers, Student Council Representatives, and Executive Council members.

On November 22, the Executive Council gave an assembly dealing with class dues.

The Freshmen were highly active in sports this year. The girls took part in second team field hockey and basketball. The boys displayed their skill in football and basketball.

The biggest event of the year was the Freshman Dance, which incidentally, was a great success.

As this year ends, the Freshmen hope that their Sophomore year will be as much fun as their Freshman year has been.

DAUGHTERS OF THE AMERICAN REVOLUTION

Antonia Solari was chosen this year to receive the D.A.R. award. The members of the senior class voted for three girls from the class. Of these three, the faculty chose the most outstanding. Toni upheld the qualities of Character and Service which qualified her to be chosen to receive the D.A.R. award.

GOOD GOVERNMENT DAY

David Corson was chosen to represent our school on Good Government Day. Three members of the senior class were nominated for the representation. Each nominee addressed a speech, explaining his propositions to Good Government Day to the senior class, who in turn voted for one of the three.

AUTOMOTIVE MECHANICS DEPARTMENT

The purpose of education is to equip each student to meet the needs of the society in which he will live. To this, Vocational education adds the purpose of earning a living in a specific trade. This purpose is accomplished by the student spending a full week in his shop and the next week in academic and related work. In shop, customer and shop-owned equipment is used to provide the necessary experience in the trade; in related work, subjects corresponding to his shop work are studied. In both shop and related, a student progresses at his own rate of speed. In academic work, regular studies in English, History, and Physical Education are provided.

To provide additional knowledge in the trade, field trips to various plants, shows, etc. are taken. The major highlights so far this school year were a Boston trip to the Foreign Car Show and the donation of the Inceptor V-8 engine by the Ford Motor Company. Several additional auto assembly plant trips are planned for the spring.

CARPENTRY AND MILLWORK DEPARTMENT

When the original planning for the carpentry courses was developed the summer before Silver Lake opened in 1955, it was decided that by the fall of 1957 the boys who entered this division would have gained enough experience in construction to build a complete private dwelling. Consequently plans were made during the summer and early fall of 1957 to build a ranch house and attached garage. Construction was begun on the first day of December 1957.

As this is written, the house is about ready for interior finish. All carpentry, painting and some of the mason's work have been done by the students of the two carpentry divisions. Because of the design of the particular building, the boys have gained an experience in truss design and assembly which is not ordinarily acquired in house construction.

In addition to active on-the-job work, both divisions of the carpentry course become familiar with blueprints, cost and materials estimating, and basic house design—all gained in the classroom. A trip to the Home Show in Boston gave everyone the opportunity to inspect the newest building products and trade practices. Other trips are planned to various manufacturing plants where still other trade practices may be observed.

AGRICULTURE DEPARTMENT

Agricultural classes at Silver Lake are divided into two groups—grades nine and ten and grades eleven and twelve. Each group has two hours of agricultural class work daily, five days a week. One hour is devoted to survey of general agriculture and one hour is used for individual projects and shop work. Academic classes in general high school subjects are taken with the regular high school groups.

Boys in the agricultural classes participate in many regional, state, and national contests. Silver Lake has won its share of honors, even to the national level!

VOCATIONAL HOUSEHOLD ARTS

The two divisions of Household Arts are made up of ninth, tenth, and eleventh grade girls. The first year girls work on the basic sewing techniques, the study of child care, and the proper methods of cooking.

In the second year a more advanced form of clothing construction is carried out. The study of home decoration enables the girls to plan and furnish a home that is attractive and suitable for a family. In foods, the girls plan and prepare menus and study about methods of buying food.

This newly organized club was formed under the guidance of Mrs. Pratt. Projects of all sorts were developed around homemaking by the members. Exciting new recipes were experimented with and new ideas in home decorating met with a great deal of success. The club brought out the best of the creative talents in its future homemakers.

At the first meeting of the Home Economics Club, the following officers were elected:

President	Rosemary Wilbur
Vice President	Avis Merry
Secretary	Gloria Marinelli
Treasurer	Virginia Gould

KEY CLUB

KEY CLUB

The Key Club started off a good year. Officers are Wesley Shaw as President, Michael Andrews as Vice President; Robert Walsh as Secretary, and Edson Bryant as Treasurer.

The first project taken up was that of football concessions. We sold enough hot-dogs to string all the way to Alaska. Next came the concessions at the basketball games, the proceeds going to worthy causes. The Key Club acted as sponsors in getting clothes for the "Save the Children Federation," for which over 600 pounds were collected.

This was our first organized year as a Key Club and was successfully enjoyed by all.

SENIOR PLAY CAST

FIRST ROW: B. Baker, N. O'Brien, N. Campbell, D. Lane, C. Colby, R. Walsh, R. Wyman.

SECOND ROW: Mr. Ringer, M. Ritval, H. Weston, A. Vautrinot, M. Boudreau, W. Shaw, J. Powell, J. Libby, M. Hayford, R. Santos, R. Merritt.

The Senior Class production of Emelyn William's classic, *Night Must Fall*, proved that high school students are capable of producing much better drama than they are usually allowed to undertake. To Mr. Ringer, the director, and to the Senior Class went much praise for daring to put on a show that departed so strikingly from the usual watered down comedy and farce of the high school theatre.

If this production of *Night Must Fall* can serve as a criterion for future productions at Silver Lake Little Theatre, the audiences in this area will be treated to some unusually entertaining, high caliber plays in the future.

FUTURE NURSES OF AMERICA

FIRST ROW: K. Billings, S. Johnson, J. Woodbury, D. Gurney, M. Grant, K. Shea, B. Norton, F. Grant, C. Washburn.

THE NURSES' CLUB

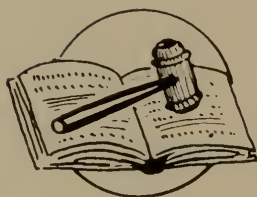

Silver Lake can be proud of its prospective nurses. Their interest in becoming good nurses has been heightened by visits to the T.B. Hospital in Hanson, Quincy City Hospital, and Brockton Hospital. Mrs. Churchill and Mrs. Mitchell have guided the club through an interesting year beginning with the annual get-acquainted party where new members were welcomed and were presented with copies of the club constitution and membership certificates. The club boasts eight seniors who have hopes of becoming the best nurses ever.

SECOND ROW: J. Bill, B. Carter, R. Gerstley, S. Cavello, R. Borden, G. Lennox, Mr. Frank.

DEBATING CLUB

The Debating Club is organized to give students an opportunity to get as much public speaking experience as possible. Under the direction of Social Studies teacher, Mr. Freeman Frank, the club has actually done little debating this year. The emphasis has been on development of poise and confidence in routine, public speech situations with the hope of developing enough experienced and able young speakers to compete extensively with other debate teams next year.

LIBRARY CLUB

The Library Club, in its third year, brought its membership to well over fifty. We started off by giving a record hop to raise money. We planned to include local authors in the library collection and to entertain surrounding library clubs. Members were taken from the club to assist Miss Taber in the library.

To our advisor, Miss Taber, we owe a great deal of thanks. She was always willing to help us in whatever we undertook.

February the eighth, Rock Around the Heart, a Valentine record hop was held and was both a financial and a romantic success.

Later in the year the Honor Society went on a trip and then later enjoyed their annual picnic.

The annual play entitled "The Admirable Crichton" which was put on in March, was both profitable and entertaining.

Mr. Ringer's professional experience has been a great asset to the club which has come a long way since its establishment.

FOOTBALL

In 1957 Silver Lake started its first year of regulation conference play in football with two new coaches and about six lettermen. Coaches Pierce and Killilea were welcomed the first day of practice by a group of about forty-five candidates for football.

Among the highlights of the season was the Lakers' first home game in Silver Lake's football history. The Lakers looked impressive, but lost. The Lakers won their only game 7-6 against a strong Bridgewater club. The day Silver Lake will long remember was when Silver Lake almost beat Plymouth 13-12. Silver Lake had been picked to lose by eighteen points.

The Lakers will be looking forward to a winning season next fall under coaches Pierce and Killilea and their co-captains Dick Ward and Charles Gately.

VARSITY BASKETBALL

This year's basketball team was under the wing of a new coach, John Killilea, who made a successful team from the material he had. We ended the season with ten wins and six losses for a fourth place standing.

The high scorers for the season were Paul Corsi, Alfred Roncarati, and Mike Andrews, who was also top rebounder. Other scoring was provided by Bruce Jenny, Mike Leonardi, and Paul Lopes.

We did not have enough wins to enter the Tech Tourney but made an entry in the South Shore Tourney. All in all we had a thrilling and rewarding season and hope that next year's team will be equally successful, if not more so.

GIRLS' VARSITY BASKETBALL

The girls' basketball team had a successful season this year, winning five of their ten games. The season was climaxed by a thrilling game with the senior boys in which the girls' varsity, otherwise known as the Silver Lake Globe Trotters, completely outplayed the boys. (The boys blame it on the fact that they had to wear boxing gloves!)

GIRLS' FIRST TEAM HOCKEY

KNEELING: J. Moran, R. Peck, M. Brock, A. Glass, Co-Captains A. Solari, E. Randall; L. Peterson, A. LaHaye, C. Benea, N. Braddock.

Playing most of its games away from home, the girls' hockey team met keen competition in a tough schedule this year. We did manage to hold Abington to a tie with a score of 2-2.

Although Lady Luck seemed to have abandoned us completely, we thoroughly enjoyed every day's practice and every game in the brisk fall air under the fine coaching of Mrs. Jones and Mrs. Barry. We were able to find consolation in the fact that next fall will bring a more experienced group of girls to the field, ready to take on all comers.

The second team enjoyed a more successful season, winning three games. We can only warn all our competitors, "Better watch out for next year."

PEP SQUAD

Sponsored by the Cheerleaders, and the Key Club, the Pep Squad was organized this year in order to strengthen school spirit. The squads' job has been to paint and put up posters to produce enthusiasm for the basketball games.

The squad sat in a group at games and pep rallies, garbed in bright red sweaters and gray slacks or skirts. Colorful shakers of red, white, and blue used by each of the members were very impressive.

Manager of the squad was Toni Solari and co-manager, Elaine Gallivan.

MAJORETTES

A. Proctor, W. Moran, J. Wood, P. Ingham, B. Tarantino, D. Lane, N. O'Brien, W. Pratt, D. Mello, J. Walker, E. Shea, K. Shea, V. Eldridge, P. Vantangoli, M. Hayford.

Mr. Andrews' energetic group of baton twirlers enjoyed an active football season. At all of our home games they could be seen brightening the field with their flashing colors. The band, lacking uniforms, was unable to march beside the twirlers, but they backed the team from the stands. At the pep rallies, as well as during football games, the Majorettes came to symbolize the spirit of Silver Lake.

SCHOOL BAND

One of the band's highlights this year was playing at the football games. Because of this it was possible for the band to acquire uniforms.

The band livened up numerous assemblies and pep rallies.

The orchestra played at the teachers' convention in October and it is hoped that many members will be in the Southeastern Massachusetts School Band Master's Association in April.

FIRST ROW: J. Smith, J. Randall, D. MacFarlane, J. Jones, P. Woodward, L. Rich, J. Randall, M. Leadbetter.

 FOURTH ROW: J. Ward, J. Loring, C. Moores, B. Dube, J. Phillips, D. Wood, C. Fuller, W. Forsythe, C. Parris, F. Spalluzzi, J. Nava, C. Parker, V. Gould.

MIXED CHORUS

Evidence of the popularity of Mr. Chouinard's Glee Club is shown by the turnout in large numbers of his "Cherubs" Activities past, present, and future . . .! I'll say! The Christmas Assembly, and the visit of the A Cappella Choir was enjoyed by all. There have been tryouts for the South-eastern Massachusetts School Band Master's Association and everyone is in feverish preparation for the event.

CHEERLEADERS

The cheering squad started off this year with nine new regulars and two new substitutes. Much practice was required to cheer our mighty teams to victory. Rain or shine, Coach Pierce's boys had their enthusiastic cheerleaders behind them. Although problems of uniforms arose with basketball season, the group cheered their way through an exciting year.

FIRST ROW: J. Deane, M. Boudreau, G. Colby, C. Raynes, E. Gallivan.
SECOND ROW: J. Parker, L. Roberts, P. Andrews, L. Bailey, M. Vinal.
